AmBisome - Prescribing Information

NDC Number	Product Number	Description	Strength	Concentration	Size	Unit of Sale	Closure
0469-3051-30	305130	Vial	50 mg	n/a	20 mL	10	20 mm

## Each vial contains:

Amphotericin B intercalated into a liposomal membrane

### Inactive Ingredients:

- hydrogenerated soy phosphatidylcholine
- cholesterol distearoylphosphatidylglycerol
- alpha tocopherol
- sucrose
- disodium succinate hexahydrate

Each carton contains one pre-packaged, disposable sterile 5 micron filter

## Cefizox® (ceftizoxime for injection, USP) in Galaxy® Plastic Container

NDC Number	Product Number	Description	Strength	Concentration	Size	Unit of Sale	Closure
0469-7220-01	722001	SD Galaxy® Plastic Container	1 g	N/A	50 mL	24	N/A

### Each container contains:

Ceftizoxime 1 g

Dextrose Hydrus, USP approx 1.9 g (to adjust osmolality)

Premixed in plastic containers

Must be stored and delivered frozen

Preservative Free

## Cefizox® (ceftizoxime for injection) in Galaxy® Plastic Container (frozen iso-osmotic sterile nonpyrogenic solution)

NDC Number	Product Number	Description	Strength	Concentration	Size	Unit of Sale	Closure
0469-7221-02	722102	SD Galaxy® Plastic Container	2 g	N/A	50 mL	24	N/A

### Each container contains:

Ceftizoxime	2 g
Dextrose Hydrus, USP	950 mg (to adjust osmolality)

Premixed in plastic containers

Must be stored and delivered frozen

Preservative Free

## **Mycamine<sup>®</sup> (micafungin sodium) for injection**

<b>NDC Number</b>	<b>Product Number</b>	<b>Description</b>	<b>Strength</b>	<b>Concentration</b>	<b>Size</b>	<b>Unit of Sale</b>	<b>Closure</b>
0469-3250-10	325010	Vial	50mg	n/a	10mL	10	20mm

### **Each single use vial contains:**

micafungin sodium

Inactive Ingredients:

lactose

citric acid and/or sodium hydroxide (PH adjustment)

Available in cartons of 10 individually packaged 50mg single use vials coated with light protective film

## Prograf® (tacrolimus capsule)

NDC Number	Product Number	Description	Strength	Concentration	Size	Unit of Sale	Closure
0469-0607-73	060773	Prograf Capsules	0.5 mg	N/A	100 ct bottle	10	N/A
0469-0617-73	061773	Prograf Capsules	1 mg	N/A	100 ct bottle	10	N/A
0469-0657-73	065773	Prograf Capsules	5 mg	N/A	100 ct bottle	10	N/A
0469-0617-11	061711	Prograf Capsules	1 mg	N/A	10 x 10 unit dose blister pak	1	N/A
0469-0657-11	065711	Prograf Capsules	5 mg	N/A	10 x 10 unit dose blister pak	1	N/A

### Each capsule contains:

Tacrolimus, Anhydrous

#### Inactive Ingredients

Lactose

Hydroxypropyl Methylcellulose

Croscarmellose Sodium

Magnesium Stearate

Prograf capsules are not filled to maximum capsule capacity. Capsule contains labeled amount.

## Prograf® (tacrolimus injection)

NDC Number	Product Number	Description	Strength	Concentration	Size	Unit of Sale	Closure
0469-3016-01	301601	Ampule	5 mg	5 mg/mL	1 mL	10	N/A

### Each mL contains:

Tacrolimus, Anhydrous	5 mg
Polyoxyl 60 Hydrogenated Castor Oil (HCO-60)	200 mg
Dehydrated Alcohol, USP	80% v/v

Preservative Free

Prograf capsules are not filled to maximum capsule capacity.  
Capsule contains labeled amount.

## Protopic® (tacrolimus) Ointment

NDC Number	Description	Strength	Size	Unit of Sale
