

Burdick 2008 Product List

ABP Accessory

Part Number	Marketing Description
000-0027-02	Patient Diary, ABP models 90207 and 90217 (each)
006-0210-02	Thermal paper, rolls, for 90239A ABP report generator, 57MM 32'
012-0034-03	Cable for interface of 90239A to PC serial port (each)
012-0096-01	Modem cable from 90207 Monitor to the Modem (each)
012-0097-02	ABP interface cable for the 90217 and 90207 ABP Monitors (each)
012-0105-02	Cable from the PC Base Station to the Modem for 90207 or 90217 (each)
015-0067-01	Tru-Cuff, reusable cuff sm. adult, 17-26 cm, ABP 90202/07/17, self-applied (each)
015-0067-01Q	Cuff with Quick Connect, sm. adult, 17-26 cm, ABP 902007/17 (each)
015-0068-02	Tru-Cuff, reusable, cuff, adult, 24-32 cm, ABP 90202/07/17 self-applied (each)
015-0068-02Q	Cuff with Quick Connect, adult, 24-32 cm, ABP 90207/17 self-applied (each)
015-0070-00	Cuff Support Harness for all cuffs (each)
015-0118-01	Tru-Cuff, reusable cuff, child, 12-20 cm, ABP 90207/17 self-applied (each)
015-0118-01Q	Cuff with Quick Connect, Child, 12-20 cm, for ABP 90207/17 (each)
016-0077-01	Tru-Cuff, reusable cuff, large adult, 32-42cm, ABP 90202/07/17, self-applied (each)
016-0077-01Q	Cuff with Quick Connect, Large Adult, 32-42 cm, for ABP 90207/17 (each)
016-0080-00	Waist belt for ABP
016-0109-01	Tru-Cuff, reusable cuff, XL, Adult, 38-50 cm, ABP 90202/07/17, self-applied (each)
016-0109-01Q	Cuff with Quick Connect, large adult 38-50 cm for ABP
016-0262-00	Strap for use with vinyl pouch for model 90207 ABP, fabric
016-0340-00	Cloth pouch for model 90217 ABP, blue
016-0410-00	Cloth pouch for model 90207 ABP
016-0465-00	Calibration kit for ABP (each)
146-0008-00	Lithium battery, 3-volt, For use with 90207 (each)
164-0010-00	Report generation data card.
706-0151-00	Cuff cover for ABP, XL adult, 38-50 cm
706-0152-00	Cuff cover for ABP, med adult, 24-32 cm
706-0153-00	Cuff cover for ABP, large adult, 32-42cm
706-0154-00	Cuff cover for ABP, small adult, 17-26 cm
712-0773-00	Quick Connect removable cuff adapter for ABP 90207/17 (each)
712-0794-00	Quick Connect permanent cuff adapter for ABP 90207/17 (each)

ABP Monitors

Part Number	Marketing Description
143265	Ultralite ABP Monitor with software. Model 90217 does not include cables 012-0096-01 and 012-0097-02
90217-1Q	Ultralite ABP Monitor with Quick Connect, English language (model 90217)
92506	ABP Report management software V2.0

AED - Batteries

Part Number	Marketing Description
010-1668-00	Extended life battery for CardioVive DM AED
9044-001	Charger Kit for Rechargeable Battery for Powerheart AED G3 Pro model 9300P and CardioVive AT, English language
9141R-001	Replacement battery for 91XX, 92XX and 92530 AEDs
9144-001	Rechargeable Battery for Powerheart AED G3 Pro model 9300P
9146-001-C1	Replacement battery for CardioVive AT with year warranty

AED - CD/Manual

Part Number	Marketing Description
109-0021-304	Quickstart tool kit for CardioVive AT and DM, includes Quick Start Guide, CD ROM with AED manual, training video file, Rescue Link SW and MD Link SW.
112-0037-001	CardioVive AT Quick Reference Guide (English)
112-0101-101	CardioVive DM Quick Reference Guide (English)

AED - Pads/Electrodes

Part Number	Marketing Description
9131-001	Defibrillation pads (adult) with two-year shelf life
9660-001	Polarized Defibrillation Pads with pacing capability (adult)two-year shelf life.
9730-002	Pediatric Defibrillation Pads: two year shelf life

AED - Storage & cases

Part Number	Marketing Description
010-1570-01	Soft carrying case for CardioVive AT DM AED
168-6000-004	CardioVive AED Carry Case
168-6002-001	AED 3-Wall Sign and Cabinet/Door Decals
170-2145-001	Wire wall rack for 9300 series AED G3 and CardioVive
180-2020-001	AED wall mount storage case
180-2021-001	AED wall mount storage case with strobe light alarm
180-2021-002	AED wall mount storage case with strobe light alarm, security system enabled
180-2022-001	AED Wall Sleeve --stores Powerheart and CardioVive AEDs

AED - Trainers

Part Number	Marketing Description
180-2080-004	AED Trainer Replacement Remote Control
180-5020-001	Powerheart AED G3 Trainer Pkg; Language Set 1, including US English, French, Portugese (Brazil)Spanish and Italian, AHA/ERC 2005 Compliant
9021-003	AED Patient Simulator with 3-lead terminals
9035-003	Adult Training Pads (one pair) for use with Cardiac Science Powerheart G3 Trainer
9725-001	Pediatric Training Pads (one pair) for use with Cardiac Science Powerheart G3 Trainer

AED - Upgrades

Part Number	Marketing Description
10-00082-01	2005 AHA/ERC UPGRADE KIT FOR CARDIOVIVE AT (SINGLE RESCUE)ENGLISH LANGUAGE
40-00007-01	2005 AHA/ERC UPGRADE KIT FOR CARDIOVIVE AT (MULTI RESCUE)ENGLISH LANGUAGE

AED Accessories - Other

Part Number	Marketing Description
162-0108-001	IR COMMUNICATIONS CABLE FOR POWERHEART AED G3 PRO AND CARDIOVIVE DM (SERIAL)COMPATIBLE WITH USB PORTS VIA 9171-001.
170-2120	COMMUNICATION CABLE FOR 9-PIN PC CONNECTION TO AED FOR G3 AND CARDIOVIVE AT
5111-001	ECG Patient Monitoring Kit for Powerheart AED G3 Pro and CardioVive DM, includes lead cable and 3-packs of ECG electrodes
5550-003	AED Ready Kit includes nitrile gloves, razor, scissors, towel, 4 gauze antiseptic wipes one-way filter mask. Caribiner attachment. "
9171-001	USB SERIAL ADAPTER CABLE FOR AEDS

AED CardioVive AT

Part Number	Marketing Description
92532-501	CardioVive AT AED, English language, AHA/ERC 2005

AED CardioVive DM

Part Number	Marketing Description
92533-501	CardioVive DM, Dual mode AED, English language, AHA/ERC 2005

Cable/leads - ECG

Part Number	Marketing Description
007038	Patient cable, 72 inch, resting, 5-lead, AHA, non-replaceable leads, for use with EK-10 and Elite II (each)
007359	Lead separator (each) for 10 lead patient cable.
007463	Lead adapter, .125 in. (3mm) diameter pin to snap end (each)
007469	Lead adapter, .125 in. (3mm) diameter pin to grabber end (each)
007514	ECG Patient Cable 10 lead, for Eclipse LE/Elite/EK10 with star pin, AHA
007517	Patient cable, 10-lead, stress, non-replaceable leads, AHA, For use with Elite, Elite II, EK10, E350, E350i, E550, E560, Eclipse LE/LEi, (each)
007519	Patient cable, stress, non-replaceable leads, AHA, for use with EK-8, E100, E200, E310, E320, E600 (each)
007704	ECG Patient cable, 10-Lead AHA, replaceable leads. For use with Eclipse 4, 400, 8. 800, 850, Plus and Premier, LEII and Atria systems.
007705	ECG Patient cable, 10-lead, resting, replaceable leads, AHA, For use with EK10, Elite, E350, E350i, E550, E560, Eclipse LE/LEi (each)
007710	Wire Replacement Kit for 007704, 1-20 IN, 1-30 IN, 1-40 IN
007711	3-Lead wires, replacement kit, for 007706 or 007725. Includes -20 in. (610mm) and -30 in. (915mm) lead wire, and 10-lead identifiers (each)
007725	Patient Cable, 10-lead, stress, replaceable leads, AHA, Eclipse connector. For use with Eclipse 8, 800, 850, 850i, Plus, LEII, LEi2 (each)
007795	Cable, Pyramis to Eclipse
007796	Interconnect cable from Eclipse series Electrocardiograph to Pyramis ECG Management System (each)
007797	Lead adapter, 0.158 in. (4mm) diameter to snap end (each)
012-0700-00	ECG Patient cable, 10-lead, AHA, non-replaceable leads, for use with EK-10 and Elite, E350, E350i, E550, E560, Eclipse LE/LEi, (each)
012-0701-00	ECG Patient cable, 10-lead, non-replaceable leads, AHA, for use with EK-8, E100, E200, E300, E310, E320 and E600 (each)
012-0702-00	ECG Patient cable, 5-lead, AHA, non-replaceable leads, for use with EK-10 and Elite II (each)

Cable/leads - ECG

Part Number	Marketing Description
012-0844-00	ECG Patient Cable, 10-Lead AHA, non-replaceable leads. For use with Eclipse 4, 400, 8, 800, 850, Plus and Premier, LEII and Atria systems
047246	DC input cable (1V to 1mV) for patient monitor.
047254	Patient cable, 3-lead, with twist lock connector
896955	Separator, 6 lead

Cable/leads - Holter

Part Number	Marketing Description
010-1642-00	lead replacement cable for Vision 5L recorder
010-1643-00	lead replacement cable for Vision 5L recorder
012-0439-00	TRU-LINK Bonded Cable/Leads, 5-lead, safety, poly. 40" snap. 90205/90208 (each)
012-0440-00	TRU-LINK Bonded Cable/ Leads, 7-lead, safety, poly, 40" snap 90208 (each)
043139	channel lead set, safety wires for 92510 (6632) PC Card recorder (each)
043140	channel lead set, safety wires for 92510 (6632) PC Card recorder (each)
043253	3-channel lead set, for use with 92513 (6732) Compact Digital Recorder (each)
043255	Lead wire set for 2-channel Holter recording. leads at 24 long. For use with 92512/Holter recorders. (leads/pack)(each=pack)Price per each. "
047224	Patient cable, 3-lead, patient monitor.
047236	Patient cable, 5-lead, patient monitor.
147235	5-Lead wire replacement kit (047236) snap.
175-1401-00	Patient cable for 3-channel Holter recording, 30 long. For use with 92510 Holter recorder (each)"
175-1546-00	Patient cable, 3-channel, for model 92513 Holter recorder.
882301	Cable, speaker/battery for 92512/92513 Holter recorders

Cable/leads - Qstress

Part Number	Marketing Description
042051-001	Patient cable for Q-Stress, 10-lead, 43" Pinch connectors AHA
042051-002	Patient cable for Q-Stress, 10-lead, 25" Snap connectors AHA
042051-006	Pateint cable for Q-Stress 10-lead, 43" Snap connectors AHA

Cable/leads - Quest

Part Number	Marketing Description
004219	15 ft data acquisition module cable for use with Quest.
004247	Monitor power cable for Quest
004271	Patient data acquisition cable, 30 Ft, for Quest
008049	Interface cable -Bicycle Ergometer (015-0619-00 or 010-1711-00) to Quest Stress System (92400)
013-0150-00	Replacement stress leads, 30" AHA green and brown for 007772 Quest patient module
015-0636-00	PM-standard lead wire set used for conventional 12-lead ECG stress testing. AHA For use with Quest exercise stress systems.

Cables

Part Number	Marketing Description
042051-005	CBL, PATIENT, 10 LEAD ECG, 43 PINCH AHA

Cart

Part Number	Marketing Description
008008	Cart, Light Duty. For use with any Burdick ECG.
008022	ECG cart with steel casters for LE, 850, Elite II, EK 10.
008046	ECG Cart with nylon casters for LE, 850, Elite II, EK 10.
010-0001-001	Cable hanger for Atria carts 010-1639-01 and 010-1728-00
010-1639-01	Standard Duty Atria Cart
010-1728-00	Heavy duty Atria cart

DIAG WS

Part Number	Marketing Description
010-1690-00	Dell Laptop PC
D20-1ADH	HeartWorks Diagnostic Workstation with laptop computer and printer
D20-1D	HeartWorks Diagnostic Workstation, software only

ECG 850

Part Number	Marketing Description
001338	Upgrade Eclipse 850 to interpretation
001340	Upgrade Eclipse 850 to add fax/SCP communications

ECG Accessory

Part Number	Marketing Description
001414	Upgrade LEII to interpretive
007039	Soft Shelled Carrying Case for EK-10, Elite, Spirotouch.
007079	Phone cord
007154	Calipers with case for use with all electrocardiographs (each)
007160	Soft shell carry case for Eclipse LE/LEI.
007203	ECG heart rate ruler
007557	Video, How to Operate the EK-10""
007558	Video Good ECG Technique
007655	Video, How to Operate Elite II" "
007697	Upgrade Internal FAX and Communication Option for Elite II
007751	EKS 95 electronic patient simulator.
007771	Carry case, soft shell, for Eclipse 8, 800, 850.
008003	How to Operate Eclipse" VHS Video "
015-0655-00	PC-based products carrying case
070-1065-01	GRI Physician's Guide, Brief Format Statements
070-1148-00	Eclipse Premier manual kit
086061	Electrocardiography: Better Way (Educational Workbook)
086063	EK10 Operators manual, English language
086136	ELITE II GRI operators manual, AHA, English language
086175	ELITE II service manual, English language
086213	Elite II communications operators manual
086245	ECG GRI interpretation criteria for Elite II ECG, English language
863022K	Eclipse Operators Manual for Eclipse 4, 400, 8, 800, 850
92602-1A	CardioVault ECG Management System

ECG Atria 3100

Part Number	Marketing Description
A31-1DI01	Atria 3100 w/ Interpretation and 50 storage, AHA cable, 8.5 11 paper, 100-240v
A31-1DK01	Atrial 3100 non-interpretive and 50 storage, AHA cable, 8.5x11 paper, 100-240v
A31-1EI01	Atria 3100 w/ Interpretation, 50 storage and basic communications
A31-1EK01	Atria 3100 w/ measurements 50 storage and basic communications, AHA cable, 8.5 11 paper, 100-240v
A31-1FI01	Atria 3100 w/ Interpretation, 50 storage, basic communications and modem, AHA cable, 8.5 11 paper, 100-240v
A31-1FK01	Atria 3100 w/ measurements 50 storage, basic communications and modem, AHA cable, 8.5 11 paper, 100-240v
A31-1HI01	Atria 3100 w/ Interpretation, 50 storage, basic communications, modem and 802.11g, AHA cable, 8.5 11 paper, 100-240v
A31-1HK01	Atria 3100 w/ measurements 50 storage, basic communications, modem and 802.11g, AHA cable, 8.5 11 paper, 100-240v
A31-1RI01	Atria 3100 w/ Interpretation, 50 storage, basic communications and 802.11g, AHA cable, 8.5 11 paper, 100-240v
A31-1RK01	Atria 3100 w/ measurements 50 storage, basic communications and 802.11g, AHA cable, 8.5 11 paper, 100-240v

ECG Atria 6100

Part Number	Marketing Description
A61-1DI01	Atria 6100 w/ Interpretation and 150 storage, AHA cable, 8.5 11 paper, 100-240v
A61-1DK01	Atria 6100 non-interpretive and 150 storage, AHA cable, 8.5 11, 100-240v
A61-1EI01	Atria 6100 interpretive ECG with communications, AHA cable, 8.5 11 paper, 100-240v
A61-1EK01	Atria 6100 ECG with measurements, communications, AHA cable, 8.5 11 paper, 100-240v
A61-1FI01	Atria 6100 ECG with interpretation, communications, fax/modem, AHA cable, 8.5 11 paper, 100-240v
A61-1FK01	Atria 6100 ECG with measurements, communications, fax/modem, AHA cable, 8.5 11 paper, 100-240v
A61-1HI01	Atria 6100 ECG with interpretation, communications, fax/modem, 802.11, AHA cable, 8.5 11 paper, 100-240v
A61-1HK01	Atria 6100 ECG with measurements, communications, fax/modem, 802.11, AHA cable, 8.5 11 paper, 100-240v
A61-1RI01	Atria 6100 ECG with interpretation, communications, 802.11, AHA cable, 8.5 11 paper, 100-240v
A61-1RK01	Atria 6100 ECG with measurements, communications,802.11, AHA cable, 8.5 11 paper, 100-240v

ECG Atria Options

Part Number	Marketing Description
015-0653-00	Atria carrying case, canvas material
040-1457-00	Upgrade Interpretation Atria 3000
040-1458-00	Upgrade extra storage Atria 3000, 40 ECGs
040-1469-00	Bluetooth upgrade kit for ATRIA 3000 -requires 040-1472-00
040-1470-00	802.11B upgrade kit for ATRIA 3000 -requires 040-1472-00
040-1471-00	Modem upgrade kit for ATRIA 3000 -requires 040-1472-00 and factory return for upgrade
040-1472-00	Basic communications upgrade for Atria 3000
040-1474-00	Upgrade to add measurements option to Atria 3000
040-1500-00	Storage upgrade to 300 tests for Atria 6100
040-1501-00	Base Communications plus Bluetooth for Atria 3100/6100
040-1503-00	Base communications option for Atria 3100/6100 (wired ethernet, USB, RS-232, Analog out)

ECG Atria Options

Part Number	Marketing Description
040-1504-00	Base communications option plus 802.11g for Atria 3100/6100
040-1505-00	Interpretation option for Atria 3100/6100
040-1507-00	Base Communications option plus modem and 802.11g for Atria 3100/6100
070-1138-00	Atria 3000 operators manual, English language
070-1167-00	ATRIA 6100 OPERATOR'S MANUAL
070-1185-00	Atria Service Manual, English
073-0188-00	Lead placement poster, Burdick
146-0126-00	Replacement battery for Atria 3000

ECG Eclipse Premier

Part Number	Marketing Description
E10-1AE17	Eclipse Premier 12-lead interpretive ECG with AHA accessories kit, English language and 120V
E10-1AG17	Eclipse Premier 12-lead interpretive ECG with SCP-ECG communications, internal fax/modem and AHA accessories kit. English language, 120V

ECG Eclipse Premier Opti

Part Number	Marketing Description
010-1739-00	Workgroup bridge antenna, external
040-1482-00	Wired Ethernet and Wireless 802.11 kit 3Com version for Eclipse Premier
040-1483-00	Barcode reader kit for Eclipse Premier
040-1483-01	Barcode reader kit for Eclipse Premier
040-1517-00	Wired ethernet and wireless 802.11 Colubris Kit for Eclipse Premier (Domestic use)

ECG PC

Part Number	Marketing Description
010-1661-00	IDMS Office Medic Enterprise software
010-1662-00	IDMS Office Medic Enterprise software support agreement
010-1664-00	IDMS Office Medic Enterprise, additional user licenses, must order Office Medic Enterprise
010-1667-00	Upgrade Universal ECG to interpretive
92309-01	Universal ECG Non-Interpretive, AHA, English language
92309-02	Universal ECG Interpretive, AHA, English language

ECG SINGLE CHANNEL

Part Number	Marketing Description
101070	EK-10 Electrocardiograph (110V)English operator's manual and display. Single channel electrocardiograph. One button acquires 12 leads automatically. Thermal printer produces crisp, accurate traces.
101158	Elite II Interpretive Electrocardiograph (110v)Single channel interpretive electrocardiograph records simultaneously and prints ECG's by battery or line voltage.
101185	Elite II Interpretive Electrocardiograph with fax modem

Holter Accy

Part Number	Marketing Description
010-1387-00	PC card reader, USB connection. For use with Vision and Vision Premier Holter analysis systems (each)
010-1578-00	19 flat panel monitor black "
010-1640-00	128 MB compact flash card for Vision 5L recorder
010-1644-00	Cloth Pouch for Vision 5L recorder includes strap and belt
010-1645-00	Plastic belt Clip for Vision 5L recorder
012-0285-00	Five lead DIN replacement set for 92510, 92512, 92513 Holter recorders
016-0475-00	Pouch for model 90205/90208 cassette Holter recorders (each)
016-5065-00	Carrying Pouch, 90201/90205 (each)grey nylon
016-5066-00	Shoulder Strap, 90201/90205 (each)
043193	HP Deskjet Printer
070-0877-00	92510 holter recorder operators manual, English language
073-0136-00	Quick Reference manual for Vision 5L Holter recorder
143207	Interface Kit (internal) for 6732 and 6632 PC Card Recorders.
174-1411-00	Programmed Compact Flash Card for 92510 Holter recorder
174-1690-00	24-hour compact flash card for research mode
174-1691-00	48-hour compact flash card for research mode
685-0200-00	24-or 48-hour compact flash card for digital recorder 92513 for standard mode operations (each)
700-0277-00	Computer, Serial to USB Adapter
881712	Patient Diary for Holter monitoring
881714	Cassette tape, 60 minute audio
882129	Label holder for Holter compact flash cards

Holter Recorder

Part Number	Marketing Description
92514-01	Vision 5L digital Holter recorder, Burdick domestic

Holter Vision

Part Number	Marketing Description
V52-1ANY	Vision Holter system with PC interface, laser printer and 17" flat panel monitor. English language 120V
V52-1D	Vision System with 92514 Holter Recorder, English language, PC, 19" flat panel monitor and HP deskjet printer
V53-1DG	Vision Holter Software with PC card interface, Vision 5L recorder and English language (single user license)
V53-1G	Vision Holter Software with PC card interface. English language.
V53-1GI	Vision Holter Software with digital interface and pacemaker analysis software. English language.
V53-1GIJ	Vision Holter Software with digital interface, heart rate variability and pacemaker analysis software. International language kit

Holter Vision Premier

Part Number	Marketing Description
V50-1AIMYV	Vision Premier System includes English language, 120V, PC, Pacemaker analysis software, HL-Communications software, Laser printer and 17 flat panel monitor. Recorder not included. "
V50-1AINY	Vision Premier System includes English language, 120V, PC, Pacemaker analysis software, Low volume printer and 17 flat panel monitor. Recorder not included. "
V51-1DG	Vision Premier Software with PC card interface, Vision 5L recorder and English language (single user license)
V51-1G	Vision Premier Software with PC card interface and English language (single user license)
V51-1GI	Vision Premier Software with PC card interface, pacemaker analysis software, English language (single user license)
V51-1GIJ	Vision Premier Software with PC card interface, pacemaker analysis software, heart rate variability software and English language
V51-1GIJV	Vision Premier Software with PC card interface, pacemaker analysis software, heart rate variability software, HL7 communications and English language
V51-1GIV	Vision Premier Software with PC card interface, pacemaker analysis software, HL7 communications and English language
V51-1GJ	Vision Premier Software with PC card interface, heart rate variability software and English language

Holter Vision Upgrade

Part Number	Marketing Description
043-0116-00	Upgrade, Vision 3.4 (upgrading from 2.or below) (Must prove previous ownership of Vision Series software via invoice, license disk or warranty card)
043-0118-00	Upgrade, Vision Remote Software 3.4 (Must prove previous ownership of Vision Series software via invoice, license disk or warranty card)
043-0119-00	Upgrade, Vision 3.4 (upgrading from 3.0 to 3.2) (Must prove previous ownership of Vision Series software via invoice, license disk or warranty card)
043-0120-00	Upgrade, Vision 3.4 (upgrading from 3.3) (Must prove previous ownership of Vision Series software via invoice, license disk or warranty card)
043-0121-00	Upgrade, Vision Premier 3.4 (upgrading from 3.3) (Must prove previous ownership of Vision Series software via invoice, license disk or warranty card)
043-0122-00	Upgrade, Vision Premier 3.4 (upgrading from 3.0-3.2) (Must prove previous ownership of Vision Series software via invoice, license disk or warranty card)
043-0123-00	Vision Premier 3.4 (upgrading from 2.or below) (Must prove previous ownership of Vision Series software via invoice, license disk or warranty card)
063-1676-00	Vision Pacemaker software option (single user license)
063-1677-00	Vision Pacemaker software option (user license)
063-1678-00	Vision HRV software option (single user license)
063-1679-00	Vision HRV software option (5-user license)
063-1680-00	Vision HL7software option (single user license)
063-1681-00	Vision HL7 software option (5-user license)
063-1682-00	Vision Software (additional one user license)
063-1683-00	Vision Software (5-user license)
063-1684-00	Vision Premier Software (additional one-user license)
063-1685-00	Vision Premier Software(5-user license)
063-1688-00	Vision research mode upgrade (single user license) must own Vision software license
063-1689-00	Vision research mode upgrade (5-user license) must own Vision software license
063-1690-00	Vision remote upgrade (single user license) must own Vision software license
063-1691-00	Vision remote upgrade (5-user license) must own Vision software license
063-1698-00	HL7 upgrade to version 3.3 (must own previous version of HL7 SW)
063-1699-00	Heart Rate Variability upgrade to version 3.3 (must own previous version of HRV sw)
063-1700-00	Pacemaker upgrade to 3.3 (must own previous version of Pacer SW)

Quik-Prep Applicators

Part Number	Marketing Description
011440-004	QUIK-PREP applicator, 115V UL/CS

Rehab Treadmills

Part Number	Marketing Description
CR60LXXXQE	Treadmill CR60, Rehabilitation 100V/120V

Spirometry

Part Number	Marketing Description
010-1600-00	Sensaire Rechargeable Battery Pack
010-1601-00	Sensaire User's Manual
010-1604-00	Sensaire Mouthpieces (100/bx)
010-1605-00	SpiroCard/SpirOxCard Mouthpieces (box of 100)
010-1606-00	SpiroCard/SpirOxCard Pressure Tubes (bag of 25)
010-1615-00	Sensaire Pressure Tube for calibration use only. (package of 10)
010-1616-00	Sensaire Stylus (package of 10)
040-1419-00	Spirosense/Flash, Patient filter adapter kit
043230	Video, How to operate Presto" "
043231	Video, How to Operate FLASH""
043232	Video, How to Operate SpiroSense""
086613	Book, Spirometry: Better Way
100022	3.0L calibration syringe for use with all Burdick spirometers (each)
100049	Spirometry, standard thermal paper, roll, for use with Spirotouch Presto (each)Must be ordered by the box of 6.
100161	Spirometry, plastic mouthpieces, for use with SprioSense and Presto (100 mouthpieces/pack)(each=pack) Price per each.
100162	Spirometry, noseclips, for use with Spirotouch and Presto (noseclips/pack) (each=pack) Price per each.
100243	Spirometry, cardboard mouthpieces, for use with SpiroSense and Presto (100 mouthpieces/pack)(each=pack) Price per each.
100286P	Patient filter starter kit for 100 patients
100287	Patient filter refill kit for 48 patients
100288	Patient filter disks, 100/PKG
100362	Spirometry, FLASH, cardboard mouthpieces, for use with Spirotouch and Presto (100 mouthpieces/pack)(each=pack)Price per each.
100612	Spirometry, single-piece mouthpiece, for use with Spirotouch, Presto, FLASH, Spirosense (25 mouthpieces/pack)(each=pack)Price per each.
100613	Flow sensor insert for use with Spirotouch.
103-0197-00	Patient filter adapter
103-0208-00	Mouthpiece adapter for calibration syringe SpiroTouch, Sensaire SpirOxCard and SpiroCard
92524-01	Sensaire, English, 120V
92525-01	SpirOx Card, English
92526-01	SpiroCard, English

SPO2

Part Number	Marketing Description
010-1335-00	Adhesive strips. Adhesive strip provides secure attachment of disposable sensors. For use with Burdick OXY 100 and 200 and Model 100 series pulse oximeter sensors (40 strips/pack)(each=pack)Price per each.
010-1336-00	Neonate attachment tape provides secure attachment of disposable neonate sensor. For use with Burdick OXY 100 and 200, Model 100 series pulse oximeters. (50 strips/pack)(each=pack)Price per each.
010-1337-00	Infant attachment tape provides secure attachment of reusable infant sensor. For use with Burdick OXY 100 and 200, Model 100 series pulse oximeters. (50 strips/pack)(each=pack)Price per each.
010-1340-00	Universal "Y" Posey Wrap provides secure patient attachment of the reusable universal "Y" sensor. For use with the Burdick OXY 100 and 200 (10 strips/pack)(each=pack) Price per each.
010-1351-00	Print cable to interface Oxy 200 to printer
010-1352-00	Carrying case for the Burdick OXY 100 or 200 pulse oximeter. Unit operable while in carrying case. The durable constructed case features display window and storage area for sensors.
010-1353-00	Protective rubber cover features integral stand and carrying strap. For use with the Burdick OXY 100 pulse oximeter (each)
010-1354-00	Protective rubber cover features integral stand and carrying strap. For use with the Burdick OXY 200 pulse oximeter (each)
010-1355-00	Oxy 200 IR printer
010-1356-00	Thermal printer paper for use with the Burdick OXY 200 infrared thermal printer (rolls/box) (each=box)Price per each.
010-1358-00	Cable Simulator with DNS (feet)
010-1359-00	Oxy 100 English operators manual, paper copy
010-1366-00	Oxy 200 English operators manual, paper copy
010-1375-00	Oxy 200 Home use manual, paper copy
010-1607-00	OxiCard Fingerclip sensors-Adult (each)
010-1628-00	OxiCard Fingerclip sensors-Pediatric (each)
047170	Infant sensor, Toe -reusable (each)
047171	Neonate sensor, Foot -reusable (each)
047172	Universal sensor -reusable (each)
047173	Finger sensor, Adult -reusable (each)
047174	Ear sensor, Adult -reusable (each)
047175	Pediatric sensor -disposable (10 sensors/box)(each=box)Price per each.
047176	Adult sensor -disposable (10 sensors/box)(each=box)Price per each.
047177	Neonate sensor -disposable (10 sensors/box)(each=box)Price per each.
047178	Infant sensor -disposable (10 sensors/box)(each=box)Price per each.
047180	Carrying case for Model 100 pulse oximeter.
047186	Pulse Oximeter patient cable extension (Model 100)
047190	Printer Paper for Model 100 pulse oximeter (each=roll)Price per each. Must order in increments of 20.
047299	Pulse Oximeter 100 printer kit (Model 100)
92521-1A	OXY 100 pulse oximeter with reusable adult sensor, English language

Stress - Extol Accessory

Part Number	Marketing Description
004259	Cloth pouch for non-replaceable lead patient cable for Extol Stress.
004260	Cloth pouch for replaceable lead patient cable for Extol Stress.
007706	Patient cable, stress, 10-lead, replaceable leads, AHA, for use with E350, E350i, E560, Eclipse LE/LEi (each)
896935	Leads, AHA Eclipse/Stress
896937	Leads, IEC Eclipse/Stress

Stress - HeartStride

Part Number	Marketing Description
070-1164-00	HeartStride user manual/service manual
H20-1AEPT01	HeartStride complete exercise stress system, with AHA accessories kit, printer, cart, network capability and TM 55 treadmill. English,120V
H20-1AFPT01	HeartStride complete exercise stress system, with AHA accessories kit, networking/qexchange, printer, cart and tm55 treadmill
H20-1AKPT	HeartStride complete exercise stress system, with AHA accessories kit, printer, cart
H20-1AKPT01	HeartStride complete exercise stress system, with AHA accessories kit, printer, cart and TM 55 treadmill. English,120V
H21-1AKT01	Heartstride software only exercise stress system, with AHA accessories kit, cart and TM 55 treadmill.English, 120V
H21-1AKV	HeartStride software only exercise stress system only, English, AHA accessories
H21-1AKV01	HeartStride exercise stress system, software only with AHA accessories kit, cart andTM55 treadmill. English language, 120V

Stress - QStress

Part Number	Marketing Description
Q35-1AEKM	Q-Stress with networking and chart recorder. English language, 120V, AHA patient cable.
Q35-1AEKM01	Q-Stress with networking, chart recorder and TM55 treadmill. English language, 120V, AHA patient cable.
Q35-1AEKP	Q-Stress with networking and laser printer. English language, 120V, AHA patient cable.
Q35-1AEKP01	Q-Stress with networking, chart recorder and TM55 treadmill. English language, 120V, AHA patient cable.
Q35-1AELM	Q-Stress with networking, freeze frame and chart recorder. English language, 120V, AHA patient cable.
Q35-1AELM01	Q-Stress with networking, freeze frame, chart recorder and TM 55 treadmill. English language, 120V, AHA patient cable.
Q35-1AELNM	Q-Stress with networking, freeze frame, risk scoring and chart recorder. English language, 120V, AHA patient cable.
Q35-1AELNM01	Q-Stress with networking, freeze frame, risk scoring, chart recorder and TM 55 treadmill. English language, 120V, AHA patient cable.
Q35-1AELNP	Q-Stress with networking, freeze frame, risk scoring and laser printer. English language, 120V, AHA patient cable.
Q35-1AELNP01	Q-Stress with networking, freeze frame, risk scoring, Laser printer and TM 55 treadmill. English language, 120V, AHA patient cable.
Q35-1AFDM	Advanced Q-Stress exercise stress system with networking/Qexchange option, laser printer, advanced software options kit, including Full disclosure, Post procedure analysis, freeze frame and risk scoring. English language ,120V, AHA patient cable
Q35-1AFDM01	Advanced Q-Stress exercise stress system with networking/Qexchange option, laser printer, advanced software options kit, including Full disclosure, Post procedure analysis, freeze frame and risk scoring and TM55 treadmill. English language ,120V, AHA pati

Stress - QStress

Part Number	Marketing Description
Q35-1AFDP	Advanced Q-Stress exercise stress system with networking/Qexchange option, laser printer, advanced software options kit, including Full disclosure, Post procedure analysis, freeze frame and risk scoring. English language ,120V, AHA patient cable
Q35-1AFDP01	Advanced Q-Stress exercise stress system with networking/Qexchange option, laser printer, advanced software options kit, including Full disclosure, Post procedure analysis, freeze frame and risk scoring, and TM55 treadmill. English language ,120V, AHA patient cable
Q35-1AFHM	Q-Stress exercise stress system with networking/Qexchange option, Full disclosure option and chart recorder. English language ,120V, AHA patient cable
Q35-1AFHM01	Q-Stress exercise stress system with networking/Qexchange option, Full disclosure option, chart recorder and TM55 treadmill. English language ,120V, AHA patient cable
Q35-1AFHP	Q-Stress exercise stress system with networking option, Full disclosure option and laser printer. English language ,120V, AHA patient cable
Q35-1AFHP01	Q-Stress exercise stress system with networking/Qexchange option, Full disclosure option, laser printer and TM55 treadmill. English language ,120V, AHA patient cable
Q35-1AFKM	Q-Stress System with networking/Qexchange option, chart recorder. English language, 120V, AHA patient cable.
Q35-1AFKM01	Q-Stress System with networking/Qexchange option, chart recorder and TM 55. English language, 120V, AHA patient cable.
Q35-1AFKP	Basic Q-Stress System with networking, Qexchange, and laser printer. English language, 120V, AHA patient cable.
Q35-1AFKP01	Q-Stress System with networking/Qexchange option, laser printer and TM 55. English language, 120V, AHA patient cable.
Q35-1AFLM01	Q-Stress with Networking and Qexchange options, freeze frame, chart recorder, and TM 55 treadmill
Q35-1AFNM	Q-Stress with networking/Qexchange and risk scoring options and chart recorder. English language, 120V, AHA patient cable.
Q35-1AFNM01	Q-Stress with networking/Qexchange and risk scoring options, chart recorder and TM 55 treadmill. English language, 120V, AHA patient cable.
Q35-1AGHLMN	Q-Stress exercise stress system with full disclosure option, freeze frame, risk scoring and chart recorder. English language ,120V, AHA patient cable.
Q35-1AGHLMN01	Q-Stress exercise stress system with full disclosure option, freeze frame, risk scoring, chart recorder and TM55 treadmill. English language ,120V, AHA patient cable.
Q35-1AGHM	Q-Stress exercise stress system with full disclosure option, chart recorder and TM55 treadmill. English language ,120V, AHA patient cable.
Q35-1AGHM01	Q-Stress exercise stress system with full disclosure option, chart recorder and TM55 treadmill. English language ,120V, AHA patient cable.
Q35-1AGHP	Q-Stress exercise stress system with full disclosure option, laser printer and TM55 treadmill. English language ,120V, AHA patient cable.
Q35-1AGHP01	Q-Stress exercise stress system with full disclosure option, laser printer and TM55 treadmill. English language ,120V, AHA patient cable.
Q35-1AGKM	Basic Q-Stress System with chart recorder. English language, 120V, AHA patient cable.
Q35-1AGKM01	Basic Q-Stress System with chart recorder and TM 55. English language, 120V, AHA patient cable.
Q35-1AGKP	Basic Q-Stress System with laser printer. English language, 120V, AHA patient cable.
Q35-1AGKP01	Basic Q-Stress System with laser printer and TM 55. English language, 120V, AHA patient cable.
Q35-1AGLM	Q-Stress exercise stress system with freeze frame option and thermal printer. English language, 120V, AHA patient cable.
Q35-1AGLM01	Q-Stress exercise stress system with freeze frame option, chart recorder and TM55 treadmill. English language ,120V, AHA patient cable.
Q35-1AGLNM01	Q-Stress exercise stress system with freeze frame and risk scoring options, thermal printer and TM55 treadmill. English language ,120V, AHA patient cable.

Stress - QStress

Part Number	Marketing Description
Q35-1AGLP	Q-Stress exercise stress system with freeze frame option and laser printer. English language, 120V, AHA patient cable.
Q35-1AGLP01	Q-Stress exercise stress system with freeze frame option, laser printer and TM55 treadmill. English language, 120V, AHA patient cable.
Q35-1AGNM	Q-Stress with risk scoring and chart recorder. English language, 120V, AHA patient cable.
Q35-1AGNM01	Q-Stress with risk scoring, chart recorder and TM 55 treadmill. English language, 120V, AHA patient cable.

Stress - Qstress Accessory

Part Number	Marketing Description
037224-001	Belt for patient cable for Q-STRESS
037225-001	Patient Cable pouch for Qstress

Stress - Quest

Part Number	Marketing Description
B24-1AGP	Quest exercise stress system, English language with bike ergometer and AHA accessories kit
B24-1ALMNP	Quest exercise stress system with resting ECG analysis, communications (XML, HL7 and PDF)Zip drive, English language and 120V; includes standard Assurance paper and AHA cable
B24-1ALMP	Quest Exercise stress system, English language with resting ECG, AHA accessories kit and communications communications (XML, HL7 and PDF) options. (120V)
B24-1ALMP01	Quest Exercise stress system, English language with resting ECG, AHA accessories kit, communications (XML, HL7 and PDF) and TM55 treadmill options. (120V)
B24-1ALP	Quest exercise stress system with resting ECG analysis, English language and 120V; includes standard Assurance paper and AHA cable
B24-1ALP01	Quest exercise stress system with resting ECG analysis, English language, TM 55 treadmill and 120V; includes standard Assurance paper and AHA cable
B24-1AMP	Quest Exercise stress system, English language with AHA accessories kit and communications (XML, HL7 and PDF) option. (120V)
B24-1AMP01	Quest Exercise stress system, English language with AHA accessories kit, TM55 treadmill and communications (XML, HL7 and PDF) option. (120V)
B24-1AP	Quest System, includes standard US thermal paper and AHA patient cable. English language and 120V.
B24-1AP01	Quest Exercise stress system, English language with AHA accessories kit and TM55 treadmill. (120V)
B24-1APY01	Quest Exercise Stress System, English language, AHA, laser printer and TM55 treadmill

Stress - Quest Accessory

Part Number	Marketing Description
004217	Black belt with buckle, pouch, 48" for use with Quest.
004218	Extension for belt, 24" for use with Quest.
007374	Stress patient module belt, black buckle, 5' (1.524m)for use with Quest (each)
007526	Stress cable belt, white, velcro, ft. (1.219m)(each).for Quest
010-1711-00	Lode Corival Bicycle Egometer for Quest
043092	Test Box for impedance check.
097017	ET 1000 Sensor Tester for Quest
214-1022-00	Belt and Pouch with quick buckle for Quest
214-1023-00	Belt Extender with quick buckle for Quest

Stress - Quest upgrade

Part Number	Marketing Description
040-1201-00	Update existing 2.2 or higher Quest Stress system to 3.00 software.
040-1202-00	Update existing V1.37-2.11 Quest Stress system to 3.00 software.
040-1203-00	Update existing V1.18-1.35 Quest Stress system to 3.00 software.
040-1205-00	Field upgrade to Quest resting 12-lead interpretation option, English
040-1206-00	Field upgrade to communications (XML, HL7 and PDF) option
040-1207-00	Field upgrade to Quest Zip drive option
040-1459-00	Quest software upgrade kit, version 4.0, English
040-1460-00	Quest Stress PDF output option upgrade
040-1477-00	Communications software update for Quest, includes networking and PDF capability

Stress - Tango

Part Number	Marketing Description
040-1240-00	Tango ABP for Quest exercise stress system
042061-001	Tango BP Monitor 15' patient cable
042061-002	Tango BP Monitor sound microphone
042061-003	Tango BP Monitor small adult cuff, 18-27 cm
042061-004	Tango BP Monitor adult cuff, 25-35 cm
042061-005	Tango BP Monitor large adult cuff, 32-44 cm
042061-006	Tango BP Monitor adult plus cuff, 27-40 com
042061-007	Tango BP Monitor small adult cuff with microphone, 18-27 cm
042061-008	Tango BP Monitor adult cuff with microphone, 25-35 cm
042061-009	Tango BP Monitor large adult cuff with microphone, 32-44 cm
042061-010	Tango BP Monitor adult plus cuff with microphone, 27-40 cm
042061-011	Tango BP Monitor pole clamp
042061-012	Tango BP Monitor bracket clamp
042061-013	Tango BP Monitor wrist strap
042061-014	Tango BP Monitor users manual
042061-015	Tango BP Monitor service manual
042061-016	TANGO BP MONITOR ECG CABLE FOR Q-STRESS
50-00008-01	TANGO PLUS AUTOMATED BLOOD PRESSURE TESTING SPO2 KIT OPTION W/ ADULT FINGER CLIP SENSOR
50-00009-01	Tango Plus automated blood pressure testing SpO2 Sensor replacement part
50-00010-01	Tango Plus automated blood pressure testing Xpod SpO2 w/sensor replacement part

Stress - Treadmills

Part Number	Marketing Description
037080-001	Emergency Stop Kit for TM 55 and TM 65
037288-001	Emergency stop, option for TM55 and TM65
170-0210-001	Short handrill for ST/TM 55 treadmills
170-0211-001	Short handrill for ST/TM 65 treadmills
170-0213-001	Long handrail for ST/TM 55 treadmills
170-0214-001	Long handrail for ST/TM 65 treadmills
TM55HXXRBE	TM55 treadmill for Quest,220V,English language and rapid deceleration
TM55LXXRBE	TM55 treadmill for Quest with rapid decel option, 120V, English language
TM55LXXRBS	TM55 treadmill for Quest with rapid decel and emergency stop options, 120V,English language

Stress - Treadmills

Part Number	Marketing Description
TM65HXXRBE	TM 65 treadmill for Quest,220V, English Language and rapid decel
TM65LEXRBE	TM65 treadmill for Quest with 120V, emergency stop, rapid decel, English language
TM65LXXRBE	TM65 treadmill for Quest, 110V, English language and rapid decel

Supplies - Chart Paper

Part Number	Marketing Description
007868	Heartline thermal paper pads, 5.910 in. (150mm) red grid, perforated with no header, 8.5 in. (216mm) 11 in. (279mm) format, Z-fold. For use with Eclipse LE, LEII, E550, E560, E350, E600 ExTOL. (200 sheets/pad) (ea=pad) Price per each. Must order 10.
007940	Heartline thermal paper. Roll, 1.773 in. (45mm) red traditional grid, 1.970 in. (50mm) 100 ft. (30.48m) long. For use with Medic 3, Medic 4, Medic 6, WR-1, REC-8, DC190, DC185 (each=roll)Price per each. Must order in increments of 100.
007941	Heartline thermal paper. Roll, 1.970 in. (50mm) orange traditional grid, 2.443 in. (62mm) 150 ft. (45.72m) long. For use with EK4, EK5/5A, EK8, E100, E200. (each=roll) Price per each. Must order in increments of 20.
007958	Heartline thermal paper. Roll, 1.773 in. (45mm) red matrix grid, 1.970 in. (50mm) 150 ft. (45.72m) long. For use with EK10, Elite, Elite II, Medic (each=roll)Price per each. Must order in increments of 80.
007966	Heartline thermal paper. Pad, 5.910 in. (150mm) red matrix grid, perforated with header, 8.5 in. (216mm) 11 in. (279mm) format, Z-fold. For use with E350 (200 sheets/pad)(each=pad)Price per each. Must order in increments of 10.
007969	Chemical/Thermal, perforated, multi-channel with blank header, dot matrix grid, for use with Eclipse LE/LEi, E350 and E350i (A4 format)(each)Must be ordered by the box of 10.
007971	Heartline thermal paper. Pad, 3.543 in. (90mm) red matrix grid, perforated with blank header, in. (102mm) 5.5 in. (140mm) format, Z-fold. For use with Eclipse 4/400. (200 sheets/pad) (each=pad) Price per each. Must order in increments of 40.
007979	Heartline thermal paper. Pad, 5.910 in. (150mm) red matrix grid, perforated with blank header, 8.5 in. (216mm) 5.5 in. (140mm) format, Z-fold. For use with Eclipse 8, 800. (300 sheets/pad) (each=pad) Price per each. Must order in increments of 10.
007983	Heartline thermal paper. Pad 5.91 in (150 mm) red matrix grid, perforated with blank header. 8.5 in (216mm) 11 in (279mm) format, z-fold. For use with Quest, Eclipse Plus and Atria. (200 sheets/pad) (each pad) Price per each, must order in increments of 10
007988	Heartline thermal paper. Pad, 5.910 in. (150mm) red matrix grid, perforated with blank header, 8.5 in. (216mm) 5.5 in. (140mm) format, Z-fold. For use with Eclipse 850. (300 sheets/pad) (each=pad) Price per each. Must order in increments of 10.
015022-001	Premium Chart Paper, Z-Fold, no grid, 8.5" x 11" for Q3000/Q4000 200 Sheets/Pad 10 Pads/Case
016211-002	Premium Chart Paper, Z-fold, full grid, 8.5" x 11" for Q750/Q5000/Q-CATH 200 Sheets/Pad 10 Pads/Case
016211-003	Premium Chart Paper, Z-fold, 3/grid, 8.5" x 11" for Q750/Q5000/Q-CATH 200 Sheets/Pad 10 Pads/Case
018416-001	Premium Chart Paper, Z-fold, full grid,8.5" x 11" for Q750/Q5000 200 Sheets/Pad 10 Pads/Case
032195-001	Thermal paper Z-fold, for chart recorder Q710
036869-001	Chart Paper, Z-fold, for Q4500, Q710 and Q-stress, z-fold, full grid, 8.5" x 11" 200 sheets/pad 10 pads/case each =pad
716-0233-00	Assurance paper, roll, red grid, for use with EK10, Elite, Elite II and Medic 5. Price per each, order in increments of 100
716-0234-00	Assurance paper, Z-fold pad, red grid, perforated with blank header, 200 sheets/pad, for use with Eclipse LE, LEII, E550, 560, E350 and E600. Price per each, order in increments of 10.
716-0235-00	Assurance paper, Z-fold pad, red grid, perforated with blank header, standard size, 300 sheets/pad, for use with Eclipse and 800. Price per each, must order in increments for 10.

Supplies - Chart Paper

Part Number	Marketing Description
716-0237-00	Assurance paper, Z-fold pad, red grid, perforated with blank header, standard size, 200 sheets/pad. For use with Eclipse Plus and Premier, Quest and Atria systems. Price per each, must order in increments for 10.
716-0239-00	Assurance paper, Z-fold pad, red grid, perforated with blank header, 300 sheets/pad, for use with Eclipse 850. Price per each, must order in increments of 10.

Supplies - ECG mounts

Part Number	Marketing Description
007036	Folder mount, pressure sensitive, 11x17"for EK-10 and Elite II (100 mounts/box)(each=box)Price per each. Must order in increments of 5
007037	Card mount, pressure sensitive, 8.5" x 11" for EK-10 Elite II Eclipse 4/400/8/800. (100 mounts/box) (each=box)Price per each. Must order in increments of 5
007153	Plastic ECG mount inserter (each)
007857	Card mount, pressure sensitive, 8.5" x 11" for EK-10 and Elite II (100 mounts/box)(each=box)Price per each. Must order in increments of 5
007909	Card mount, pressure sensitive, 8.5" x 11" second 12-lead for EK-10 Elite II (100 mounts/box)(each=box)Price per each. Must order in increments of 5
007911	Folder mount, pressure sensitive, 11x17" second 12-lead for EK-10 and Elite II (100 mounts/box)(each=box)Price per each. Must order in increments of 5

Supplies - Electrodes

Part Number	Marketing Description
000310-001	Quik-Trace electrode, round, 43mm, solid gel, snap, 30/pouch, 20 pouches/case (each pouch)
007157	Limb plate electrode, adult, 3mm, reusable. For use with all ECGs. (electrodes/pack)(each=pack)Price per each.
007158	Limb strap for plate sensor, adult, single hole, 18 in. (457mm)For use with 007157, 007550, (each=strap)Price per each.
007159	Limb strap for plate sensor, adult, holes, 16 in. (406mm)For use with 007157, (each=strap)Price per each.
007161	Limb plate electrode, infant, 3mm, reusable. For use with all ECGs. (electrodes/pack)(each=pack)Price per each.
007162	Limb strap for plate sensor, infant, single hole, 10 in. (254mm)For use with (007161)(each=strap)Price per each.
007163	Welsh cup electrode, adult, 30mm. For use with all electrocardiographs (each=electrode)Price per each.
007201	Infant chest sensor
007364	Welsh cup electrode, infant, .118 in. (3mm)For use with all electrocardiographs (each=electrode)Price per each.
007550	Limb plate electrode, adult, 4mm, reusable. For use with all ECGs. (electrodes/pack)(each=pack)Price per each.
007690	Welsh cup electrode, adult/pediatric, .158 in. (4mm)For use with all electrocardiographs (electrodes/pack)(each=pack)Price per each.
007778	Heartline Comfort Tape Electrodes, 37mm by 53mm, wet gel, foam (30 electrodes/pack) (each=pack)Must order in increments of 20.
007781	Heartline Durafoam Electrodes, 37mm by 53mm, wet gel, foam (30 electrodes/pack) (each=pack)Must order in increments of 20.
007782	Heartline Radiolucent Universal Electrodes, 48mm, conductive adhesive solid gel, foam (30 electrodes/pack) (each=pack)Must order in increments of 20.
007784	Heartline SensaCloth Electrodes, 30mm, solid gel (30 electrodes/pack) (each=pack)Must order in increments of 20.

Supplies - Electrodes

Part Number	Marketing Description
015-0630-00	Blue Max SUPATAB Resting ECG electrodes, wet gel (100 electrodes/pack)(each=pack)Price per each. Must order in increments of 24.
031581-001	QUICK PREP electrode, round foam, 45.5MM, (50 electrodes/pack) ea pack) Case 10 Packs.
032205-001	All purpose electrode, round foam, 45.5mm dia, (50 ELECTRODES/PACK) EACH PACK) MUST ORDER IN INCREMENTS OF 10.
047029	CardioSens Ultra II. Single-use tab electrode. (500 electrodes/box) (each=box) Price per each. Must order in increments of 10.
047163	30 inch electrode strap
047866	CardioSense/K. Gentle adhesive with high conductivity (500 electrodes/box) (each=box) Price per each. Must order in increments of 10.
047881	CardioSens/Advantage tab electrodes, firm grip, 500 ct (must buy 10)
097001	Blue Max electrodes, round, 40mm, offset snap, vinyl, for use in short-term monitoring, SAECG (25 electrodes/pack)(each=pack)Price per each. Must order in increments of 40.
097002	Blue Max electrodes, round, 50mm, offset snap, foam, for use in stress testing, OR, ICU, Holter stress testing, (25 electrodes/pack)(each=pack)Price per each. Must order in increments of 40.
097004	Blue Max electrodes, round, 50mm, offset snap, foam, for use in stress testing, OR, ICU, Holter stress testing, (10 electrodes/pack) (each=pack)Price per each. Must order in increments of 100.
097009	Blue Max electrodes, oblong, 68mm, offset snap, micropore, for use in long-term, Holter, ICU, CCU, stress, (25 electrodes/pack)(each=pack)Price per each. Must order in increments of 40.
097010	Blue Max electrodes, round, 68mm, offset snap, micropore, for use in long-term, Holter, ICU, CCU, stress, (25 electrodes/pack)(each=pack)Price per each. Must order in increments of 40.
097014	Blue Max electrodes, 30mm, offset snap, foam, for use in short-term applications less than 12 hours (10 electrodes/pack) (each=pack)Price per each. Must order in increments of 200.
107067	3mm reusable pediatric electrode kit (plates, straps, welsh bulbs)(each=kit)Price per each.
107068	3mm reusable adult electrode kit (plates, straps, welsh bulbs)(each=kit)Price per each.
107155	Chest electrode set
107546	4mm reusable adult electrode kit (plates, straps, welsh bulbs)(each=kit)Price per each.
860062	Retaining Strap only for 107155 set
860403	Bulb only for Welsh infant electrode (007364) (each)
860404	Bulb only for Welsh adult electrode (007163) (each)

Supplies - Holter Prep Kits

Part Number	Marketing Description
043084	Holter Prep Kit, 2-channel cassette for use with 90205 and 6300 recorders. Kit includes: 12 stress loop tape strips, 60-minute cassette, surgical prep razor, skin prep scrub, 9-volt battery, patient diary, Holter electrodes. (Must order 30)
043085	Holter Prep Kit, 3-channel cassette for use with 90208 and 6300 recorders. Kit includes: 12 stress loop tape strips, 60-minute cassette, surgical prep razor, skin prep scrub, 9-volt battery, patient diary, Holter electrodes. (Must order 30)
043101	Holter Prep Kit, 2-channel cassette, for use with 6532 recorder. Kit includes: 12 stress loop tape strips, patient ID card, surgical prep razor, skin prep scrub, 9-volt batteries, patient diary, Holter electrodes. (Must order 30)
043104	Holter Prep Kit, 3-channel cassette, for use with 6532 recorder. Kit includes: 12 stress loop tape strips, patient ID card, surgical prep razor, skin prep scrub, 9-volt batteries, patient diary, Holter electrodes. (Must order 30)

Supplies - Holter Prep Kits

Part Number	Marketing Description
043202	PC Card Recorder Prep Kit, 3-channel, for use with 92510 recorder. Kit includes: 12 stress loop tape strips, patient ID label, surgical prep razor, skin prep scrub, AA batteries, patient diary, Holter electrodes. (each=1) (Must order 30)
043250	Holter Prep Kit for use with 92512/92513/92514 recorders. Kit includes: 12 stress loop tape strips, patient ID label, surgical prep razor, skin prep scrub, AA batteries, patient diary, Holter electrodes. (Must order 30)
043272	Holter Prep Kit, 3-channel, for use with 92513 or 92514 recorders. Kit includes: 12 stress loop tape strips, patient ID label, surgical prep razor, skin prep scrub, AA batteries, patient diary, Holter electrodes. (Must order 30)

Supplies - Miscellaneous

Part Number	Marketing Description
007264	Alligator (Veterinary) Adapter Clip. (10 clips/pack)(each=1clip) Price per each.
690-0150-00	Signa-Gel electrode gel, 60gr. Tube, price per each, must order 144 (each+tube)
690-0151-00	Signa-Gel electrode gel, 250gr.Tube, Price per each, must order 72 (each=tube)
704-0102-00	Clear Choice Adapter Clip, 10 Clips/Pk

Supplies - Stress kit

Part Number	Marketing Description
015-0629-00	Baseline BlueMAX Stress Prep Kit, includes 10 Blue max electrodes, scrub and razor (each=kit)Price per each. Must order in increments of 30.
097008	Baseline stress prep kit for use with Quest and ExTOL stress systems (each kit)Price per each. Must order in increments of 30.
