PC Based ECG Cardio Resting PC ECG / PC EKG - on your notebook or desktop [Home]

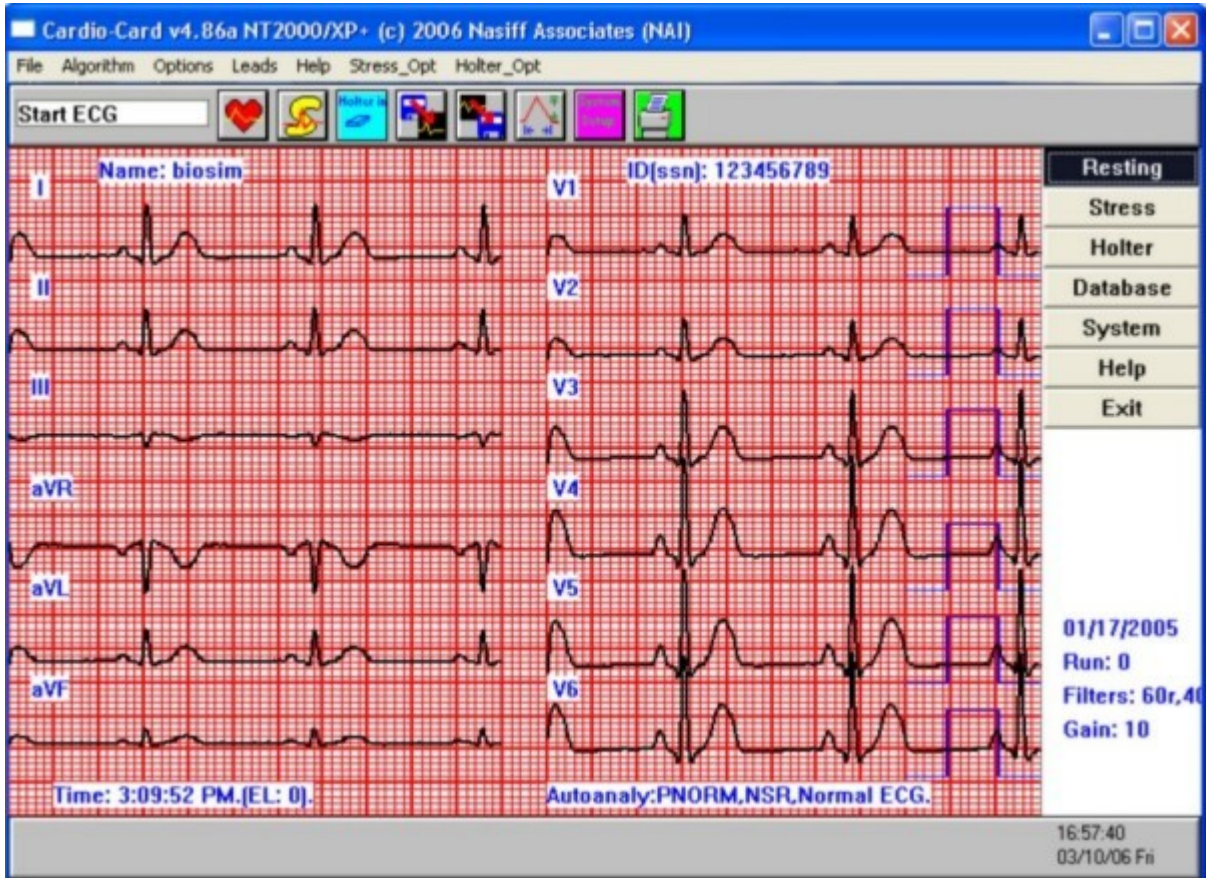

- | Simultaneous Interpretive 12 Lead Acquisition of your PC ECG / PC EKG.
- | ECG Interpretation classes: MIs, Blocks, Enlargements, Axis. Over 100 calls.
- | WINDOWS: Easy Point & Click User Interface.
- | Real-Time 12, 6, 3, 2 or 1 ECG Lead Color Display of ECG / EKG Complex.
- | 5-15 ft. ECG Patient Cable w/ Locking Replaceable Leads (plus 3 ft.).
- | Full Patient Demographics & Information.
- | HR w/ Global Measurements, Complete Interval Values & ST information.
- | Capture Unlimited ECG / EKG Durations of Patient ECG / EKG Data to Hard Drive, Floppy or any Storage Medium.
- | USB or PC Notebook (PCMCIA) Formats (no batteries or extra power needed!).
- | User Selectable Lead Formats on Final ECG / EKG Report.
- | Print Final Report to any Windows Printer (no fading, low cost, ready availability).
- | ECG FAX Capability.
- | ECG Email capability (batches too!)
- | Network practically unlimited number of ECGs / EKGs
- | ECG / EKG Serial Historical Comparisons.
- | Pacemaker detection option
- | ECG Measurement resolutions: 4msec, 1.22uV at 10mm/sec gain
- | ECG Frequency response: 0.05-120Hz std. (Higher available).
- | Lead leakage: < 10uA
- | Input impedance > 100Mohm
- | Gains: 2.5, 5, 10, 10/5, 20 mm/mV
- | CMRR: 120db
- | 12-lead sampling rate: 250-1000Hz
- | A/D rate: 10kHz
- | Time base: 25 and 50 mm/sec
- | Power consumption: < 200mA at 5V from PC bus

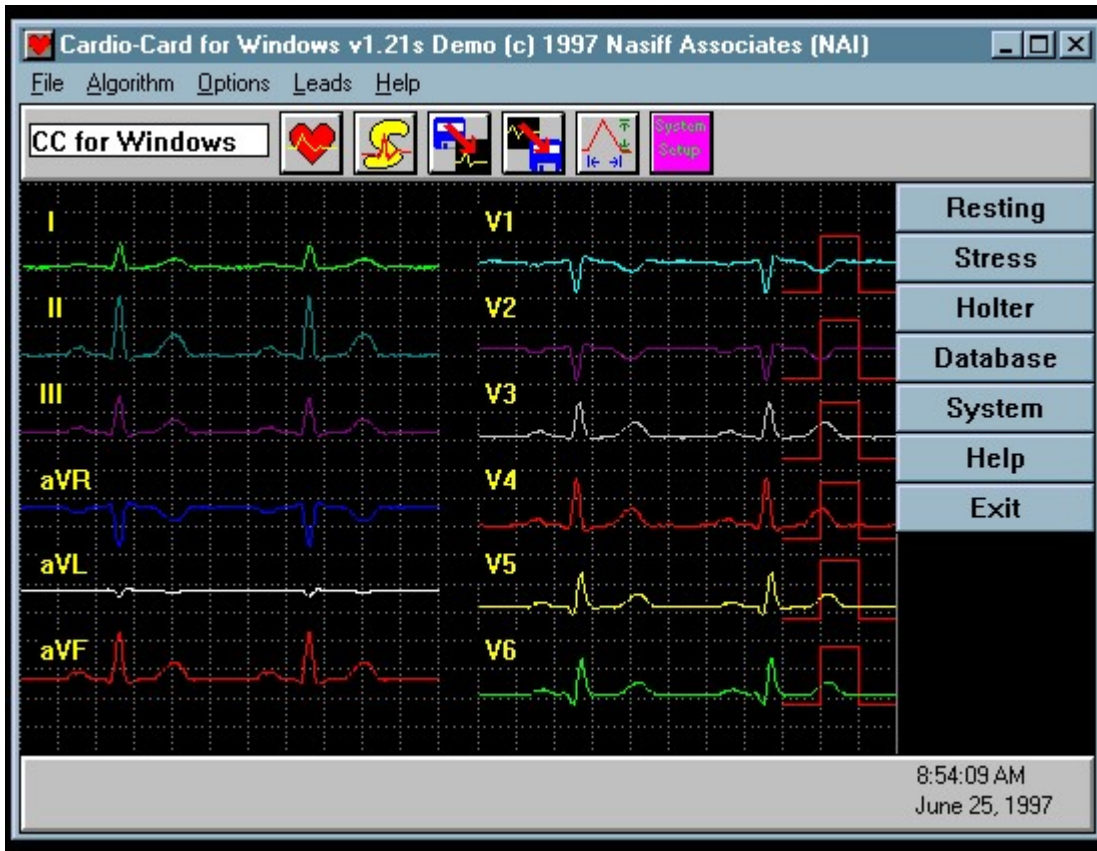

A free [Database Management System](#) is included with all of our products! This integrates histories for all patients, whether stress, resting, blood

pressure, or holter. We are currently developing new tests which we will give you more details on soon.

Sample Screens

One POC Machine Acquires:	Advanced Management Tools I
Nasiff Interpretive PC ECG / PC EKG (Cardio-Card)	Integrate All Devices into 1 machine
Nasiff Cardio Stress ECG	Integrated Patient Database and Chart
Nasiff Cardio Holter ECG	Serial Historical Comparisons
Nasiff Cardio Patient Monitors	Transmit and Receive ECGs
Nasiff Cardio Vital Signs	Portable Patient Data
